cellent library.”**

### **WE’VE BEEN BUSY!**

#### ***Friends at Waldport Wednesday Market!***

Don’t miss our last market day on September 21. The Friends book sale table at the Wednesday Market is a successful fundraiser and has also signed up many new Friends. If you miss the book sale at the market, visit the Friends’ bookshelf at the library.

#### ***Providing Books to Kids***

The Friends purchased books for kids of all ages to distribute at Central Oregon Coast Fire District’s National Night Out and the Crestview Elementary School’s Open House.

#### ***Purchases for the Library***

Over the summer, the Friends purchased a 3D printer the library used to teach teens how to use. The library will have an open lab in the afternoon each month for adults and teens, where they will learn to use the 3D printer.

The Friends also purchased five laptops for library use only, allowing teens to use the laptops in the Moore Room for gaming and other activities. The laptops are also available for other library uses.
