Enjoy the following reviews.

The following book reviews were written by the Amazon editor. We appreciate the reviews and remember them when choosing your next books.

Wahala: a Novel by Nikki May

An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group. A sharp, funny, shocking unputdownable book.

West with Giraffes: a novel by Lynda Rutledge

It's 1938. The Great Depression lingers. Hitler is threatening Europe, and world-weary Americans long for wonder. They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic. *West with Giraffes* explores what it means to be changed by the grace of animals, the kindness of strangers, the passing of time, and a story told before it's too late.

Friends Board Meetings

Friends of the Waldport Library board meets the **first Thursday of every month at 4 p.m.**, at the Waldport Public Library or ZOOM Online. All guests and members are welcome. Check the library website for more information.
