Waldport Public Library has been staffed by volunteers for over 50 years. They are still the energy that keeps this library going. There are a variety of roles for volunteers to fill. Examples are: reading shelves, shelving library materials, preparing (covering) new books, repairing books, routing in materials, and special projects (i.e. display arrangements).

We will work to find the position best fitting a volunteer's skills, needs and time commitment. New volunteers will be interviewed and a plan for training with experienced staff arranged. To aid our matching volunteers to tasks, we ask this application be completed thoughtfully.
